FROM THE PRINCIPAL

PLEASE BE AWARE! THIS REPORT CAME FROM WOODVALE PS

Two of our Yr 6 students reported being followed by an **old bluey/grey hatch** car on their way home.

They said that the Asian man in the car got out at one stage, but they ran away. This took place down towards Nth Woodvale PS. Please inform me or any of our administration staff should you see any suspicious behaviour.

ICE – IN CASE OF EMERGENCY!

This is a good idea!

Apparently this is a standard procedure for all paramedics to follow at the scene of an accident when they come across your mobile phone.

Just register ICE in your mobile phone and the number of the person you would like any emergency service provider to contact. If you have more than one person then register ICE1, ICE2, etc.

VICTORIAN BUSHFIRE APPEAL – FRIDAY 13TH FEB. GOLD COIN AND CAKE SALE!

I know many people in our community will have already responded and given to many of the support agencies around the country, to help those who have been affected by this disaster.

However, we would like to make a donation to all the schools and school students who have lost their school. Three primary schools are known to be lost – with a further 70 schools closed throughout the state. School Aid has today been launched which will enable us to donate our support directly to those students affected.

School Aid empowers kids to help kids in need. This website provides the opportunity for Australian Primary School students to rapidly respond to urgent humanitarian situations affecting their peers.

We are asking everybody to come along to school with a gold coin donation and if you have the time, to donate a cake which we can sell in the canteen. All proceeds will go directly to support students and schools that have been affected by the Victorian bushfires! Please dig deep to help what is being recognised as Australia's greatest disaster

NUT FREE SCHOOL

We do have many students in our school who are allergic to nuts and in some cases the reaction can be fatal. We are therefore asking all parents to please be aware of this and avoid sending students to school with products that may contain nuts. Your cooperation on this matter is appreciated.
