FROM THE PRINCIPAL

WELCOME BACK!

Welcome back to all students, parents and staff for what will be a very cold and wintry start!

As you will see by the attached Term 3 calendar, this will be a busy term with many interesting activities and programs. Please keep this calendar in a prominent area in order that you do not miss any of the action! Have wonderful a term and I hope to see you at some stage throughout the term.

BUILDINGS AND GROUNDS

If you have called into the school recently you will have seen a team of workers. This team is replacing all gutters, painting the outside of the whole school, renewing the surfaces of the 3 basketball courts and backboards and fitting new vinyl in the pre-primary area. This is all part of the Federal Stimulus Package funding and is due to be completed by 30th November.

CONGRATULATIONS! – JROCK PERFORMERS!

If you happened to miss the JRock performance titled 'Chopsticks, Knives and Forks' (based on the theme East Meets West) by our talented performing arts students on 2nd July then you really missed a wonderful night of entertainment.

To all our students a huge congratulations on a wonderful performance and to Mrs Deller and Kristy Deller a big thank you and congratulations on a stunning display! At the end of the evening there were a number of awards given and North Woodvale came away with; Spirit of JRock Award, Most Friendly School Award, Award for Excellence in Drama, Award for Excellence in Performance Skills and finally the Award for Set and Design.

Thank you to all staff for your support throughout all the rehearsals and in particular a big thank you to:

Mrs Holtzman, Mrs Marron, Mr Hills, Mrs Bradley and Mrs Millard who worked behind the scenes throughout the whole day and evening. A very long day for everyone but one that will be full of memories for years to come.

I would also like to say thank you to all the following parents who worked tirelessly in preparing props and costumes:
Ross & Corina Gorton, Carey Benier, Julie Burong, Shiree Kuzminski, Janine Butterfield, Karen Malpuss,

Kerry Castagna, Linden Ing, Cathy Lynch, Belinda Millen and special thank you to John Cleary Dance Company who supplied the much needed House prop, and also to Emma & Thomas Boyes who created the wonderful Spider prop.

As you can see it takes an enormous effort to prepare and organise a performance such as the JRock concert and it also takes a whole school community to work together at the highest of levels to reach such an excellent standard. Well done to everyone and on behalf of all the 93 Performing Arts students, a big thank you!
