ASSEMBLY REVIEW - ROOM 4; YR 1

It was wonderful to see the Yr 1's perform their first assembly yesterday. It was impressive to note how well they spoke in front of an audience. Their stories about bears were well written and the Teddy Bears Picnic dance great fun!!

Well done Mrs Black, Mrs Crozier and the children of Room 4.

Congratulations! To all the following students who were acknowledged with a Merit Award;

JUNIOR DANCESPORT

This Friday will be the final dance session for this term for PP-Yr 3. Parents and family members are invited to attend their child's final session. It is always a great way to finish off the lessons and children love to show you what they have learnt.

Students in PP-Yr 3 can wear free dress on this day. A detailed note has been sent home about this day.

CONGRATULATIONS

To Matthew Mitchell who completed his Level 5 in High Flyers Gymnastics which was held on the 12th September. He was also awarded an overall medal, team silver medal, gold on vault and bronze on floor.

Well done, Matthew.

INTERSCHOOL ATHLETICS

Last Tuesday and Thursday students represented our school at the Interschool Athletics Carnival at Ashdale Primary School. Our students trained hard for the two weeks prior and their efforts on the day were terrific. Although we didn't win the carnival, we were runners up for the Meritorious Shield.

The highlight of the day was winning the final event, the grand relay and the attitude, effort and behaviour of our students.

THOUGHT OF THE WEEK
